February 2013

An Open Invitation to all Veterans of World War Two, The Korean War and those who did National Service

As in previous years we are inviting all World War II veterans, including those who served in support organisations such as the Red Cross, the Land Army and the WRVS to join us at our show. In addition, as 2013 is the 60th Anniversary of the Korean War and the 50th Anniversary of the end of National Service, we are extending our invitation to veterans who served in Korea and to all those who served as National Servicemen at any time. Your presence will help us commemorate these significant anniversaries.

The War and Peace Revival would be honoured to welcome you as our guests at our inaugural event at our new larger venue where all Veterans will be made welcome in the new 'V' Marquee close to the heart of the Show.

You will have an opportunity to:

- Meet up with old comrades, enjoy a drink and exchange reminiscences
- Take a trip down Memory Lane with the vehicles and equipment you once used
- Meet re-enactors and living history groups who keep the memories of what you did alive
- Enjoy music, fashion and entertainment from the 1930's, 1940's 1950's and 1960's.

**A Veterans' Parade and Drumhead Service
will take place on Saturday 20 July at 11am
in front of the Main Grandstand
